Since this agenda is tentative, items may be added and/or deleted prior to the commencement of the meeting. Formal action may or may not be taken regarding each item listed on the final agenda.

RULES AND REGULATIONS OF THE WOOLWICH TOWNSHIP COMMITTEE: These procedures are designed to ensure an orderly conduct of business and to allow the tape recording of the proceedings to record all comments made with accuracy.

Township Committee welcomes public comment on any governmental issue that a member of the public feels may be of concern to the resident of the municipality. There will be two (2) portions, up to thirty (30) minutes in duration or as determined by the Mayor or Deputy Mayor, set aside for such comment at every monthly meeting of the Committee. There will be no other public comment accepted unless directed by the Mayor or Deputy Mayor or by an approved motion of the Committee, such as a public hearing.

Comments relating to specific items that are scheduled for a public hearing can only be made at the time of the public hearing on the issue. In taking action on these items, the Township Committee will consider the comments presented at public hearing and any member of the committee can request the Mayor or Deputy Mayor designee for permission to question or address Township Committee.

Each person who wishes to speak shall raise his or her hand to be recognized before speaking. When recognized, the speaker must state their name, address and purpose of their comments. A second opportunity for the same individual to speak will only be allowed after all others have had their opportunity.

Individuals' comments will be limited to a maximum of five (5) minutes to allow as many residents to speak as possible. Other members of the Committee, municipal employees or Township professionals will respond only when requested by the Mayor or his/her designee.

No intra-audience dialogue is permitted during the open session of any meeting. Such behavior is disruptive and will not be permitted.

Speakers on both sides shall treat each other with courtesy and respect in both action and utterance. No personal attacks or "poisonous" rhetoric will be permitted. The Mayor or Deputy Mayor will give one warning of improper

behavior or rhetoric to a speaker. On the next offense the speaker will be asked to relinquish the floor to another speaker.

Closed sessions of the Township Committee will normally be held at the end of the normal business part of any meeting. Exceptions to this may be made due to professional commitments or anticipated outcomes deemed of significant public interest.

**AN ORDINANCE OF THE TOWNSHIP OF WOOLWICH, COUNTY OF
GLOUCESTER, STATE OF NEW JERSEY ADOPTING AN AMENDMENT TO THE
WEATHERBY TOWN CENTER REDEVELOPMENT PLAN**

Ordinance 2020-09

WHEREAS, the Woolwich Township Mayor and Township Committee heretofore adopted a Redevelopment Plan for the Weatherby Town Center (known as the “Weatherby Town Center Redevelopment Plan”) and, upon further review, and with due consideration of the recent Superior Court decision issued by the Honorable Anne McDonnell affecting the Township concerning an interpretation of the Weatherby Town Center Redevelopment Plan and the Township Zoning Ordinance, the Township seeks to clarify and amend the Weatherby Town Center Redevelopment Plan to specifically define and permit “supermarkets” as a permitted principal use which will make the area more suitable for development, wherein the Township Committee has determined that amending the Weatherby Town Center Redevelopment Plan will encourage smart development and further the goals of the Local Redevelopment and Housing Law; and

WHEREAS, Joseph Petrongolo, P.P. and Ashton Jones, P.P. of Remington & Vernick Engineers, Inc. have prepared and issued a report entitled “First Amendment to the Woolwich Township Weatherby Town Center Redevelopment Plan” dated March 2020 and forwarded same to the Woolwich Township Committee for consideration and action. A copy of the report in its entirety is attached hereto as **Exhibit “A”** and incorporated into this Ordinance by way of reference; and

WHEREAS, the Township Committee of the Township of Woolwich agrees with said recommendations and desires to adopt the aforesaid Redevelopment Plan Amendment attached hereto as Exhibit A;

NOW, THEREFORE, BE IT ORDAINED by the Township Committee of the Township of Woolwich, as follows:

1. The Redevelopment Plan entitled “First Amendment to the Woolwich Township Weatherby Town Center Redevelopment Plan” dated March 2020 and the findings contained therein, be and are hereby adopted by the Township of Woolwich.

2. The above referenced Redevelopment Plan will be on file in the office of the Woolwich

Township Clerk for review by the public during normal business hours.

REDEVELOPMENT PLAN AMENDMENT

Purpose

Amend the Weatherby Town Center Redevelopment Plan to specifically permit a supermarket in the Redevelopment Area since it is not directly indicated as a permitted use in the Redevelopment Plan.

Background

The need to amend the Redevelopment Plan arose from a 2019 decision by Judge Anne McDonnell J.S.C. in which she ruled that the Weatherby Town Center Redevelopment Plan does not permit a supermarket since it is not specifically called out, and as a result the Planning Board's approval of a ShopRite supermarket was inappropriately granted. The basis for this decision was that, while "supermarket" is a specific permitted use in certain districts of the Woolwich Township Zoning Ordinance, it is not directly indicated in the Weatherby Town Center Redevelopment Plan. While the Plan's 24 listed permitted uses include "retail sales and services" which the Township considers an all-inclusive term encompassing numerous retail types, according to the court, since the term "supermarket" is explicitly stated as a permitted use in other zoning districts, it should be clearly stated in the plan if the intent was to allow it in this Redevelopment Area.

The Weatherby Town Center Redevelopment Plan identified several guiding goals as stated below:

- To provide new commercial opportunities to enhance this section of Woolwich Township.
- To create an opportunity for mixed use development that meets market demand and individual preference.
- To provide a well-designed retail, commercial, and residential area that serves the neighborhood and addresses the needs of different ages and abilities.

The assumption, goals and objectives as indicated in the 2003 Master Plan and restated in the 2016 Reexamination Report remain viable. Furthermore, the 2020 General amendment of the Master Plan added additional objectives which further indicate the Townships desire for the amendments contained herein. These objectives are stated as follows:

- Provide all residents access to essential commercial services within the boundaries of the Township including, but not limited to, supermarkets, banks, gas stations and general retail.
- Strengthen commercial and retail options by providing a range of uses in town centers, specifically in the Weatherby General Development Plan area, Kings Landing Regional Center and, Auburn Road Village Center.
- Community-scale services such as, but not limited to, supermarkets, banks, gas stations, restaurants and general retail should be integrated and located in proximity of population centers.
- Support a zoning mix that is adaptive to commercial real-estate trends. Retail activities should be directed towards specific retail, commercial and entertainment sectors that are currently lacking within the Township

Recommended Amendments

The Weatherby Town Center Redevelopment Plan shall hereby be amended as follows:

1. The following definitions shall be added.
 - a. Center, Shopping - A group of commercial establishments planned, constructed, managed and integrated as a total entity.
 - b. Supermarket - A retail establishment offering for sale a wide variety of food products as well as other convenience and household items commonly associated with the same and having a gross floor area of more than 25,000 square feet. Supermarkets offer a broad of array of service amenities as well as sell a wide variety of goods beyond food products including, without limitation, prepared foods for onsite and offsite consumption, pharmaceutical goods, banking facilities and other related ancillary services.
2. Supermarkets shall be permitted as a principal use.
3. Supermarkets shall require - 4.5 spaces for each 1,000 square feet of gross floor area.

Conclusion

This plan recognizes that conditions may change and further refinement of this redevelopment plan may be necessary.

I. Introduction

This document serves as an amendment to the Township's Master Plan. The original Master Plan was adopted in 2003, updated in 2008 and most recently amended with the 2016 Reexamination Report.

While these documents establish clear goals for the future of Woolwich Township, this amendment seeks to provide additional support and clarification. Specifically, this amendment seeks to clarify the Township's intent as it relates to the areas within the Weatherby General Development Plan (GDP), Planned Unit Development (PUD) District and the Weatherby Town Center Redevelopment Area.

II. Background

The Weatherby Town Center Redevelopment Plan was the direct result of planning efforts going back decades. Adopted May 14, 1998, the Weatherby General Development Plan (GDP) proposed a large residential development providing for single-family dwellings, multi-family housing units, a commercial town center and preserved open space. The proposed town center area was planned to emerge as the public and commercial core of the community. Proposed uses in the town center include florist, banks, grocery stores, dry cleaners, pharmacies, realtors and other similar business types. While this GDP expired in 2018, due to the 20-year limit on its approval, the planning basis behind these concepts remains applicable.

As stated directly in the "Woolwich Township Zoning Ordinance", the Planned Unit Development (PUD) District was specifically designed to implement the intent and purpose of the Weatherby GDP. Furthermore, nonresidential uses on land owned by Summit Ventures or its successors shall be generally located within the areas designated as the Weatherby Commercial Overlay and the town center area shown in the Weatherby GDP.

The need for this amendment and clarification is the result of a recent decision by Judge Anne McDonnell J.S.C. in a motion filed by a potential competitor to a proposed ShopRite supermarket, ruling that a supermarket is not a permitted use within the Weatherby Town Center Redevelopment Plan since it is not specifically called out and as a result the Planning Board's approval of a ShopRite supermarket was infelicitously granted. The main issue establishing this decision is that "supermarket" is a specific permitted use in certain districts of the Woolwich Township Zoning Ordinance but is not directly indicated in the Weatherby Town Center Redevelopment Plan. The Redevelopment Plan lists 24 permitted uses, with a wide range of uses being allowed. One of these permitted uses includes "Retail sales and services" which the Township considers an all-encompassing term to include numerous retail types. However, due to the term "supermarket" being explicitly used as a permitted use in other zoning districts, if it was intended to be permitted in this Redevelopment Area, according to the Court, it should be clearly stated in the plan. Amending the Master Plan to provide further clarity as it relates to the Township's intent for the Weatherby GDP helps provide future decision makers clear understanding as to the Master Plan goals and objectives and allows planning documents to be more consistent and aligned with the Township's long range planning documents.

III. Purpose

It is the Township's desire to amend its Master Plan to further indicate that commercial development was desired within the Weatherby GDP, PUD District and Weatherby Town Center Redevelopment Area and furthermore that this development should provide a mix of commercial uses.

IV. Amended Master Plan Goals and Objectives

The assumption, goals and objectives as indicated in the 2003 Master Plan and restated in the 2016 Reexamination Report remain viable and are indicated below. In an effort to clarify the intent of the Master Plan and effectuate the Township's desire to permit additional commercial uses within the PUD District and the Weatherby Town Center Redevelopment Area, the previously stated objectives are hereby amended (proposed additions are underlined below):

Assumption: Woolwich Township will experience extensive growth pressure through the six-year horizon of this Master Plan. The rate of increase of both population and dwelling units in Woolwich Township was among the strongest in the entire South Jersey Region during the decade of the 1990s and that trend is expected to continue during the foreseeable future. At the same time, median incomes have increased to among the highest in the region.

Goal: To preserve and enhance the quality of life in Woolwich Township in the face of rapid development.

Objective: Insure that new development is well designed and adheres to recognized principles of good planning and smart growth.

Objective: Strengthen ordinances that enhance community character such as design standards, landscaping and buffer regulations, and signage control.

Objective: Preserve open space opportunities through public and private actions.

Objective: Retain the existing character of the community, to the extent practical, through open space preservation.

Objective: Encourage commercial development in the Weatherby Town Center and along the 322 Corridor while limiting nonresidential encroachments into residential neighborhoods.

Objective: Provide all residents access to essential commercial services within the boundaries of the Township including, but not

limited to, supermarkets, banks, gas stations and general retail.

Assumption: Smart growth policies will be favored over patterns of sprawl.

Goal: To promote orderly growth within the Township.

Objective: Review current densities with an eye towards balancing designated growth nodes with lower density environs.

Objective: Develop in accordance with the State Plan and encourage the creation of communities of place. However, some land use assumptions of the State Plan may need to be reassessed, including tier designations and utility service areas.

Objective: Concentrate new development around established nodes or at planned locations that are well served by utilities and the road network.

Objective: Explore opportunities for land conservation during the process of subdividing tracts of land.

Objective: Encourage a sound fiscal mix of future uses.

Objective: Strengthen commercial and retail options by providing a range of uses in town centers, specifically in the Weatherby General Development Plan area, Kings Landing Regional Center and, Auburn Road Village Center.

Assumption: Woolwich Township will continue to be an attractive place to live.

Goal: To provide a safe and attractive residential environment.

Objective: Provide a variety of housing opportunities and dwelling types for residents at all income levels.

Objective: Comply with applicable laws and policies regarding affordable housing.

Objective: Insure that major new residential development contributes fairly to the provision of needed services, including recreation.

Assumption: Woolwich Township's demographic profile, the rapid growth of the Township and the surrounding area, and lack of significant existing retail opportunities, offer the potential for an expansion of retail and related development opportunities, including opportunities for mixed-use development.

Goal: Provide conveniently located and well-designed retail and commercial opportunities to serve Woolwich residents and the surrounding area.

Objective: Provide opportunities for more intensive regional-scale retail development, which will become possible once sewer and water can be provided to the Route 322 Corridor.

Objective: Due to limitations in the road network, retail activities in the area now designated as Woolwich's Town Center should be directed towards a community-scale market and should be integrated with other planned community facilities. Mixed office and/or apartment uses in this area shall be permitted.

Objective: Community-scale services such as, but not limited to, supermarkets, banks, gas stations, restaurants and general retail should be integrated and located in proximity of population centers.

Objective: Support a zoning mix that is adaptive to commercial real-estate trends. Retail activities should be directed towards specific retail, commercial and entertainment sectors that are currently lacking within the Township

Goal: Limit the expansion of office and light industrial uses to areas that have good highway access to either Route I-295 or to the New Jersey Turnpike, and public sewer and water availability.

Objective: Review existing patterns of zoning to determine if any changes are necessary in the areas designated for office and light industrial use.

Assumption: An ever-increasing range of public services will be required as Woolwich Township continues to grow.

Goal: To provide a full range of community services to residents of Woolwich Township.

Objective: Provide a new municipal administration building capable of meeting the current and projected needs of the Township.

- Objective: Provide enhanced public safety service, including police, fire, and EMS, to meet the current and projected needs of the population.
- Objective: Work with the local and regional school districts to provide appropriate locations for necessary new school facilities.
- Objective: Work with the Gloucester County MUA, the Borough of Swedesboro and/or Logan Township to cooperatively determine the appropriate future rules and boundaries of sewer and water service areas.
- Objective: Work cooperatively with the County and Regional Planning Agencies, recognizing that some adjustments to current policies may need review.
- Objective: Provide opportunities for private and quasi-public institutional uses, including houses of worship, recreational facilities, and similar uses.

Assumption: There is, and will be, a need for improvements to the local and regional circulation system as it affects Woolwich Township.

Goal: To work with State, County, and Local Officials to improve the traffic circulation system within and through the Township.

- Objective: Encourage NJ DOT and Regional officials to improve US Route 322.
- Objective: Work cooperatively with County officials to upgrade County highways within Woolwich Township.
- Objective: Review existing street patterns to determine if new streets are required to improve cross-township traffic patterns, including bypasses of congested areas.
- Objective: Take every opportunity to create an effective system of pedestrian sidewalks, particularly on collector and arterial roadways, during the subdivision and site plan approval process. Encourage the provision of trails and bikeways during the plan review process.
- Objective: Encourage the development of opportunities for public transportation in cooperation with regional agencies.

Assumption: The preservation and conservation of Woolwich's natural and cultural resources will increase in importance as the community develops.

Goal: To protect environmentally sensitive lands in the Township.

Objective: Enforce environmental policies.

Objective: Protect all sensitive lands through public and private action.

Objective: Link various areas of the township through a system of greenways, made available to the public through either acquisition or conservation easements.

Objective: Ensure that all municipal policies protect and favor the environment.

Goal: To protect historic and cultural resources in the Township.

Objective: Identify and protect historic resources.

Objective: Foster opportunities for the arts.

V. Updated Recommendations

In addition to those previously stated in the 2016 Reexamination Report, this amendment proposes adding the following development recommendations:

- A. The Township should consider amending the Weatherby Town Center Redevelopment Plan to more specifically indicate which retail sales and service uses are permitted including, but not limited to supermarkets. Additionally, a definition of a Shopping Center should be created so as to clarify what uses could be contained within.
- B. The Township should consider amending the underlying PUD Zoning District to more specifically indicate which retail sales and service uses are permitted in the zone including, but not limited to supermarkets and, also, to clarify what is permitted under the use, "retail sales and services including newspapers, gifts, novelties, tobacco products, drugs, food, clothing, spirits, confections, florist items, books and specialty merchandise, including convenience stores", specifically what is meant by food as a retail use.

VI. Weatherby Town Center Description - Land Use Element

The 2016 Master Plan Update contained a Land Use Element focused largely on providing an update to the Transfer of Development Rights (TDR) Plan. While this update provided additional vision as it related to the two TDR receiving zones, Kings Landing Regional Center and Auburn Road Village, this does not diminish the importance of other areas within the Township. Weatherby, a 4,500-unit development, was the first major residential construction project within

the Township and spearheaded the Township's growth in the early 2000s. As Weatherby is not in the 2016 Land Use Element Update, it is now appropriate to more accurately describe the Township's vision for this critical area.

The Weatherby General Development Plan (GDP) was approved May 14, 1998 and revised September 14, 1998. While it should be noted that the approval of the GDP has since expired, this document is still relevant in the background and planning history of the area. The Weatherby GDP was intended to include all the uses required for a complete community such as parks, public facilities, commercial centers and a variety of single-family and multi-family dwellings.

The Planned Unit Development (PUD) District was created to specifically implement the intent and purpose of the GDP. The zoning provides for a mixture of dwelling types as well as nonresidential uses and is intended to apply to the area designated as "town center" within the Weatherby GDP. This area is expected to provide opportunities for community-level rather than regional commercial uses, serving the needs of Weatherby and nearby neighborhoods. Community-level commercial uses include, but are not limited to, supermarkets, offices, restaurants, hotels, theaters, retail sales (including food, florist items, drugs), shopping centers, convenience commercial facilities and other uses of the same general character. While not specifically indicated in the PUD use regulations, banks, grocery stores, dry cleaners, realtors and other similar business requiring market area population of between 2,500 and 12,000 residents are specifically indicated in the GDP.

The Weatherby Town Center Redevelopment Plan was approved in September 2018, establishing an 11-Lot, 88.7-acre Redevelopment Area. The area includes parcels in both the PUD, and the Residential (R-3) Districts. The Redevelopment Plan serves as an overlay with additional standards, uses and regulations.

There has been a long-standing recognized desire for a supermarket in the Weatherby Town Center and the Township continues to view a supermarket as an intended permitted use in the Weatherby Town Center.

Dear Mayor:

As a follow up to my letter dated May 6, 2019, the County passed a Resolution authorizing this program on June 19, 2019. The Board of Chosen Freeholders designated Commercial Utility Consultants, Inc. and Concord Energy Services to administer the aggregation initiative. There is no cost to either the county or municipality.

Please keep in mind that this is a voluntary program. If your municipality is interested, the governing body may make the decision to participate in the Electric Aggregation Program by adopting a resolution. I have attached a sample copy for your review and use.

In addition, County encourages participation of people with disabilities in its programs and activities and offers special services to all residents 60 years of age and older. Inquiries regarding compliance may be directed to the County's ADA Coordinator at (856) 384-6842/ New Jersey Relay Service 711.

**RESOLUTION ESTABLISHING AN ENERGY AGGREGATION PROGRAM
PURSUANT TO N.J.S.A. 48:3-93.1 ET SEQ.**

WHEREAS, the State of New Jersey has been engaged in a process to establish a competitive market place through deregulation and restructuring of the electric utility market; and

WHEREAS, the Government Energy Aggregation Act, N.J.S.A. 48:3-93.1 et seq. governs the establishment of a government energy aggregation program, which is a government-operated purchasing cooperative through which multiple energy consumers purchase energy together under the auspices of a government aggregator, thereby, increasing competition for the provision of electric power to residential and non-residential users, and increasing the likelihood of lower electric rates for these users without causing any interruption in service; and

WHEREAS, the County desires to become an aggregator of electrical power, and will only award a contract for service to consumers where the rate is equal or lower than the price of basic generation service pursuant to N.J.S.A. 48:3-57; and

WHEREAS, each municipal governing body shall determine if aggregation could benefit their residents and businesses, and if determined to be advantageous for their particular municipality, must pass an ordinance to participate in the Community Aggregation initiative if it is determined that said initiative will proceed to the request for proposal stage; and

WHEREAS, the aggregation consultant shall solicit the third party energy supplier(s) pursuant to the statutory requirements of the Government Energy Aggregation Act, N.J.S.A. 48:3-93.1 et seq., and shall administer the electric supply bid process at no risk or cost to the county, municipality or consumer.

NOW, THEREFORE, BE IT RESOLVED that the Board of Chosen Freeholders of the County of Gloucester publicly declares its intent to be designated as an aggregator of electric power, pursuant to the Government Energy Aggregation Act, N.J.S.A. 48:3-93.1 et seq., and all promulgated rules (N.J.A.C. 14:4-6) of the NJ Board of Public Utilities for the implementation of a Government Energy Aggregation ("GEA") program; and

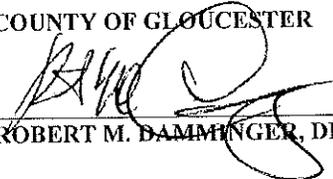

BE IT FURTHER RESOLVED that the Board of Chosen Freeholders of the County of Gloucester will utilize *Commercial Utility Consultants, Inc.*, and *Concord Energy Services Reverse Energy Auction Platform*, pursuant to the NJ E-PROCUREMENT pilot program (P.L. 2001, c.30) under the NJ Department of Community Affairs; and, that Reverse Energy Auction will seek bids from licensed and appropriate third-party suppliers. Upon award of the bid and execution of an agreement, individual residential consumers shall retain the option to opt-out and to choose any alternatives they desire, and non-residential ratepayers shall have the right to opt-in; and

BE IT FURTHER RESOLVED that the Director of the Board and Clerk of the Board are hereby authorized to execute all documents necessary to effectuate the award of applicable contracts in the establishment of a Government Energy Aggregation (GEA) program.

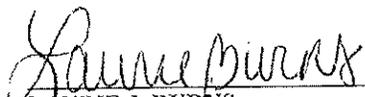

ADOPTED at regular meeting of the Board of Chosen Freeholders of the County of Gloucester held on June 19, 2019 in Woodbury, New Jersey.

**RESOLUTION AUTHORIZING THE TAX COLLECTOR TO EXTEND THE DUE
DATE FOR 2nd QUARTER TAXES 2020
R-2020-106**

WHEREAS, the Governor of the State of New Jersey declared a State of Emergency on March 9, 2020 due to the dangers posed by the COVID-19 virus pandemic; and

WHEREAS, the impact of COVID-19 has been far reaching, causing the Governor to issue a series of Orders and Directives; and

WHEREAS, under N.J.S.A. 54:4-66(a), second quarter property taxes are due May 1, 2020 for municipalities operating on a calendar year budget cycle; and

WHEREAS, many residents of the State of New Jersey may be suffering from financial hardships caused by the COVID-19 pandemic which has had a vast impact on jobs and local economies, making it difficult for some to meet the May 1st due date for the payment of 2nd quarter property taxes; and

WHEREAS, in response, Governor Murphy issued Executive Order 130 on April 28, 2020, which allows local government to adopt a resolution which would institute a grace period for the payment of 2nd quarter property taxes concluding on June 1, 2020 prior to the institution of interest penalties; and

WHEREAS, the Township Committee of the Township of Woolwich understands the plight of taxpayers in this unprecedented time and wishes to extend said grace period to June 1, 2020 prior to the institution of interest penalties; and

WHEREAS, it is known and agreed that taxes received after the June 1st grace period will be charged interest back to May 1, 2020;

NOW THEREFORE BE IT RESOLVED by the Township Committee of the Township of Woolwich as follows:

1. That the grace period for the receipt of 2nd Quarter Taxes be and is hereby extended to June 1, 2020, with any interest applied as a result of payment after such date shall be charged back to May 1, 2020.

Adopted this 4th day of May, 2020

TOWNSHIP OF WOOLWICH

Vernon Marino, Mayor

ATTEST: _____
