Notice to All Applicants for Zoning Permits:

Section 203-85 of the Zoning Ordinance requires that all applications for permits shall “contain all information necessary for the Zoning Administration Officer to ascertain whether the proposed structure, alteration, proposed use, or change in use complies with the provisions of this Ordinance”. In order for the Zoning Officer to process your application, the following requirements will be enforced.

ALL APPLICATIONS FOR NEW BUILDINGS AND ADDITIONS TO BUILDINGS MUST BE FILLED IN COMPLETELY ACOMPANIED WITH A $40 CHECK MADE OUT TO WOOLWICH TOWNSHIP
THIS SHALL INCLUDE:

- Building height above finished grade
- All four-setback lines
- All Wetland and Wetland Buffer delineations
- Building lot plans that contain the phrase, “Freshwater wetlands”, if any are not located by this survey, will be rejected. It is the Applicant’s responsibility to locate these lines, or determine that there are none.
- The drawings submitted must be to scale. Drawings found not to scale, or not scaled will be returned.
- Fence applications do not require a sealed drawing but must be dimensioned; and shall indicate height of fence and type of material used for the fencing.
- For any home with an HOA, a HOA approval letter must be submitted with application.
- Sign applications shall submit sign dimensions, sign height from grade to top of sign, and a drawing or photo of the sign/signs
  - Temporary real estate directional signs $10 per sign per posting
  - Temporary signs or banners $40
  - All other signs $60

ALL APPLICATIONS MUST BE FILLED IN LEGIBLY, AND MUST INCLUDE THE APPLICANTS NAME, ADDRESS, TELEPHONE NUMBER, AND BE SIGNED.

SITE PLAN ZONING REVIEW

All applications must be accompanied by an accurate site plan, showing street lines, property lines, building limits, wetlands limits, buffers and a north arrow. For minor applications, such as fences, swimming pools and necessary buildings, an Owner signed sketch may be sufficient. For all others, and for all applications for new primary buildings, a site plan drawn by an architect, engineer, or land surveyor is required to be attached to this application, and shall be signed and sealed by the professional.
