developments that will provide very-low income units low- income units and moderate-income units.

A. Low/moderate split and bedroom distribution of affordable housing units.

(1) The fair share obligation shall be divided equally between low-income unit and moderate-income units, except that where there is an odd number of affordable housing units, the extra unit shall be a low-income unit. At least 13 percent of all restricted rental units across bedroom distribution shall be very low-income units (affordable to a household earning 30 percent or less of regional median income by household size). The very low-income units shall be counted as part of the required number of low-income units within the development.

(2) In each affordable housing development, at least 50% of the affordable housing units within each bedroom distribution shall be low-income units.

(3) Affordable housing developments that are not age-restricted shall be structured in conjunction with realistic market demands such that:

(a) The combined number of efficiency and one-bedroom units shall be no greater than 20% of the total low-income unit and moderate-income units;

(b) At least 30% of all low-income unit and moderate-income units shall be two-bedroom units;

(c) At least 20% of all low-income unit and moderate-income units shall be three-bedroom units; and

(d) The remaining units may be allocated among two- and three-bedroom units at the discretion of the developer.

(4) Affordable housing developments that are age-restricted shall be structured such that the number of bedrooms shall equal the number of age-restricted very-low income households, low-income households and moderate-income households within the inclusionary development. The standard may be met by having all one-bedroom units or by having a two-bedroom unit for each efficiency unit.

(5) Affordable housing developments which constructed pursuant to low-income tax credit regulations shall be exempt from the requirements set forth in Section 250-805(A) above, provided they otherwise comply with the low-income tax credit regulations.

B. Accessibility requirements:

(1) All affordable housing units shall be adaptable in conformance with P.L. 2005, c.350, N.J.S.A. 52:27D-311a and N.J.S.A. 52:27D-311b and shall be subject to the technical design standards of the Barrier Free Subcode, N.J.A.C. 5:23-7.

(2) All affordable housing units within an affordable housing development and all restricted units in other multistory buildings in which a restricted unit is attached to at least one other dwelling unit shall have the following features:

- (a) An adaptable toilet and bathing facility on the first floor;
- (b) An adaptable kitchen on the first floor;
- (c) An interior accessible route of travel on the first floor;
- (d) An interior accessible route of travel shall not be required between stories within an individual unit;
- (e) An adaptable room that can be used as a bedroom, with a door or the casing for the installation of a door, on the first floor; and
- (f) An accessible entranceway as set forth at P.L. 2005, c. 350 (N.J.S.A. 52:27D-311a et seq.) and the Barrier Free Subcode, N.J.A.C. 5:23-7, or evidence that the Township of Woolwich has collected funds from the developer sufficient to make 10% of the adaptable entrances in the development accessible.
 - (i) Where a unit has been constructed with an adaptable entrance, upon the request of a disabled person who is purchasing or will reside in the dwelling unit, an accessible entrance shall be installed.
 - (ii) To this end, the builder of restricted units shall deposit funds within the Township of Woolwich's Affordable Housing Trust Fund sufficient to install accessible entrances in 10% of the affordable housing units that have been constructed with adaptable entrances.
 - (iii) The funds deposited under Subsection B(2)(f)(ii) above shall be used by the Township of Woolwich for the sole purpose of making the adaptable entrance of any affordable housing unit accessible when requested to do so by a person with a disability who occupies or intends to occupy the unit and requires an accessible entrance.
 - (iv) The developer of the restricted units shall submit a design plan and cost estimate for the conversion from adaptable to accessible entrances to the Construction Official of the Township of Woolwich.
 - (v) Once the Construction Official has determined that the design plan to convert the unit entrances from adaptable to accessible meets the requirements of the Barrier Free Subcode, N.J.A.C. 5:23-7, and that the cost estimate of such conversion is reasonable, payment shall be made to the Township of Woolwich's Affordable Housing Trust Fund in care of the Municipal Treasurer, who shall ensure that the funds are deposited into the Affordable Housing Trust Fund and appropriately earmarked.
 - (vi) Full compliance with the foregoing provisions shall not be required where an entity can demonstrate that it is site impracticable to meet the requirements. Determinations of site impracticability shall be in compliance with the Barrier Free Subcode, N.J.A.C. 5:23-7.

Design:

a. In inclusionary developments, to the extent possible, low- and moderate-income units shall be integrated with the market units.

b. In inclusionary developments, low- and moderate-income units shall have access to all of the same common elements and facilities as the market units.

C. Maximum rents and sales prices.

(1) Income limits for all affordable housing units shall be updated by the Township annually either (a) in reliance upon the annual "Affordable Housing Regional Income Limits By Household Size" schedule prepared by the Affordable Housing Professionals of New Jersey (AHPNJ), or (b) within thirty (30) days of the publication of determinations of median income by the United States Department of Housing and Urban Development ("HUD") as follows:

(i) Regional income limits shall be established for the Housing Region in which the Township is located (in this case, Housing Region 6) based on the median income by household size, which shall be established by a regional weighted average of the uncapped Section 8 income limits published by HUD. To compute this regional income limit, the HUD determination of median county income for a family of four is multiplied by the estimated number of households within the county according to the most recent decennial Census. The resulting product for each county within the housing region is summed. The sum is divided by the estimated total number of households from the most recent decennial Census in the Township's housing region. This quotient represents the regional weighted average of median income for a household of four. The income limit for a moderate-income unit for a household of four shall be 80 percent of the regional weighted average median income for a family of four. The income limit for a low-income unit for a household of four shall be 50 percent of the HUD determination of the regional weighted average median income for a family of four. The income limit for a very-low-income unit for a household of four shall be 30 percent of the regional weighted average median income for a family of four. These income limits shall be adjusted by household size based on multipliers used by HUD to adjust median income by household size. In no event shall the income limits be less than those for the previous year.

(ii) The Regional Asset Limit used in determining an applicant's eligibility for affordable housing pursuant to N.J.A.C. 5:80-26.16(b)3 shall be calculated by the Township annually either (a) in reliance upon the annual "Affordable Housing Regional Income Limits By Household Size" schedule prepared by the Affordable Housing Professionals of New Jersey (AHPNJ), or (b) by taking the percentage increase of the income limits calculated pursuant to paragraph 17a above over the previous year's income limits, and applying the same percentage increase to the Regional Asset Limit from the prior year. In no event shall the Regional Asset Limit be less than that for the previous year.

The income limits attached as Exhibit D to the Settlement Agreement between the Township and Fair Share Housing Center, dated January 27, 2022 shall be utilized as the income limits until the Township updates the income limits as set forth above.

(2) The maximum rent for rental affordable housing units within each development shall be affordable to households earning no more than 60% of median income, and the average rent for all affordable housing units shall be affordable to households earning no more than 52% of median income. Gross rents, including an allowance for utilities, shall be established so as not to exceed 30% of the gross monthly income of the appropriate household size.

(3) The administrative agent of rental affordable housing units shall establish at least one rent for each bedroom type for very-low income unit, low-income unit and moderate-income units.

(4) Pursuant to N.J.S.A. 52:27D-329.1, at least 13% of all affordable housing units provided in a development across bedroom distribution shall be affordable to households earning no more than 30% of the median gross income for households of the same size within Housing Region 6. Within each municipally sponsored and one-hundred-percent affordable housing development, a minimum of 13% of the units provided shall be so restricted. The very-low income units shall be counted as part of the required number of low-income units within the development.

(5) The maximum sales price of for sale affordable housing units within each affordable housing development shall be affordable to households earning no more than 70% of median income, and each affordable housing development must achieve an affordability average of 55% for the for-sale affordable housing units; in achieving this affordability average, for-sale moderate-income units must be available for at least three different prices for each bedroom type, and for-sale low-income units must be available for at least two different prices for each bedroom type.

(6) In determining the initial sales prices and rents for compliance with the affordability average requirements for restricted units other than assisted-living facilities, the following standards shall be used:

- (a) A studio or efficiency shall be affordable to a one-person household;
- (b) A one-bedroom unit shall be affordable to a one-and-one-half person household;
- (c) A two-bedroom unit shall be affordable to a three-person household;
- (d) A three-bedroom unit shall be affordable to a four-and-one-half person household; and
- (e) A four-bedroom unit shall be affordable to a six-person household.

(7) In determining the initial rents for compliance with the affordability average requirements for restricted units in assisted-living facilities, the following standards shall be used:

- (a) A studio or efficiency shall be affordable to a one-person household;
- (b) A one-bedroom unit shall be affordable to a one-and-one-half person household; and
- (c) A two-bedroom unit shall be affordable to a two-person household or to two one-person households.

(8) The initial purchase price for all for-sale affordable housing units shall be calculated so that the monthly carrying cost of the unit, including principal and interest (based on a mortgage loan equal to 95% of the purchase price and the Federal Reserve H.15 rate of interest), taxes, homeowner and private mortgage insurance and condominium or homeowner association fees do not exceed 28% of the eligible monthly income of the appropriate size household as determined under N.J.A.C. 5:80-26.4, as may be amended and supplemented; provided, however, that the price shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.3, as may be amended and supplemented.

(8) The initial rent for a restricted rental unit shall be calculated so as not to exceed 30% of the eligible monthly income of the appropriate household size as determined under N.J.A.C. 5:80-26.4, as may be amended and supplemented; provided, however, that the rent shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.3, as may be amended and supplemented.

(9) The price of owner-occupied affordable housing units may increase annually based on the percentage increase in the regional median income limit for each housing region. In no event shall the maximum resale price established by the administrative agent be lower than the last recorded purchase price.

(10) The rent of affordable housing units may be increased annually based on the percentage increase in the Housing Consumer Price Index for the United States. This increase shall not exceed 9% in any one year. Rents for units constructed pursuant to low-income housing tax credit regulations shall be indexed pursuant to the regulations governing low-income housing tax credits.

(11) Utilities. For both for-sale affordable housing units and rental affordable housing units, the affordable housing units shall utilize the same heating source as the market-rate units within the development. Tenant-paid utilities that are included in the utility allowance shall be so stated in the lease and shall be consistent with the utility allowance approved by DCA for its Section 8 program.

D. Unit Mix Requirements. All affordable housing units shall comply with the required unit mix.

(1) At least fifty percent (50%) of the affordable housing units shall be affordable to very-low-income and low-income households with the remainder affordable to moderate-income households.

(2) No more than fifty percent (50%) of the affordable housing units shall be affordable to moderate-income households.

(3) At least Thirteen percent (13%) of all affordable housing units referenced in this Agreement, excepting those units that were constructed or granted preliminary or final site plan approval prior to July 1, 2008, shall be very-low-income units for households earning thirty percent (30%) or less of the median income pursuant to the Fair Housing Act, N.J.S.A. 52:27D-301, et seq. ("FHA"), with half of the very low income units being available to families.

E. Affordable Housing units will be built in accordance with the following schedule:

Minimum Percentage of Affordable Housing Units Completed	Percentage of Market Rate Units Completed
0%	25%
10%	25% + 1 unit
50%	50%
75%	75%
100%	90%

F. Upon request from the developer, the Township of Woolwich will eliminate cost-generating features from Woolwich's land use ordinances that are not essential to the public welfare in accordance with Section 14(b) of the Fair Housing Act. Upon request from the developer, the Township of Woolwich will also expedite or fast track municipal approvals/denials on affordable housing development applications.

G. Prior to or simultaneously with the submission of any application for development, as the term is defined in N.J.S.A. 40:55D-3, or any application for a zoning permit, for any affordable housing development or any development in which affordable housing units are proposed, the developer shall submit to the Municipal Housing Liaison notice of the application along with information advising of the number of affordable housing units proposed to be created as part of the development.

H. In inclusionary developments, to the extent possible, low- and moderate-income units shall be integrated with the market rate units, and the affordable housing units shall not be concentrated in separate building(s) or in separate area(s) or floor(s) from the market rate units. In buildings with multiple dwelling units, this shall mean that the affordable housing units shall be generally distributed within each building with market rate units. The residents of the affordable housing units shall have full and equal access to all of the entryways, amenities, common areas, and recreation areas and facilities as the residents of the market rate units.

I. Affordability Controls. All of the affordable units shall fully comply with the Uniform Housing Affordability Controls, N.J.A.C. 5:80-26.1, et seq. ("UHAC"), including but not limited to the required bedroom and income distribution, with the sole exception that thirteen percent (13%) of the affordable units within each bedroom distribution shall be required to be for very-low-income households earning thirty percent (30%) or less of median income pursuant to the FHA. All of the affordable units shall be subject to affordability controls of at least thirty (30) years from the date of initial occupancy and affordable deed restrictions as provided for by UHAC, with the sole exception that very low income shall be defined as at or below thirty percent (30%) of median income pursuant to the Fair Housing Act, and the affordability controls shall remain unless and until the Township, in its sole discretion, takes action to extend or release the unit from such controls after at least thirty (30) years. If the Township acts to release the unit from such controls, affordability controls shall remain in effect until the date on which a rental unit shall become vacant due the voluntary departure of the occupant household N.J.A.C. 5:80-26.11(b).

§ 203-95. Affirmative marketing requirements.

All affordable housing units shall be affirmatively marketed in accordance with the following requirements:

A. The Township of Woolwich has adopted by resolution an Affirmative Marketing Plan compliant with N.J.A.C. 5:80-26.15, as may be amended and supplemented and the Fair Housing Act and its implementing regulations.

B. The affirmative marketing plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, marital or familial status, gender, affectional or sexual orientation, disability, age or number of children, to housing units which are being marketed by a developer, sponsor or owner of affordable housing. The affirmative marketing plan is also intended to target those potentially eligible persons who are least likely to apply for affordable housing units in that region. It is a continuing program that directs all marketing activities toward Housing Region 6 and covers the period of deed restriction.

C. The affirmative marketing plan shall provide a regional preference for all households that live and/or work in Housing Region 6.

D. The administrative agent shall assure the affirmative marketing of all affordable housing units consistent with the Affirmative Marketing Plan for the municipality. In addition to other affirmative marketing strategies, the Administrative Agent shall provide specific notice of the availability of affordable housing units in Woolwich to the following entities:

Applications shall be mailed to prospective applicants upon request.

F. The affirmative marketing process for available affordable housing units shall begin at least four months prior to the expected date of occupancy. In no event shall there be any discrimination in the sale, rental, financing or other services related to housing on the basis of race, creed, color, national origin, ancestry, marital or familial status, gender, religion affectional or sexual orientation, disability, age or familial size or number of children,

G. The costs of advertising and affirmative marketing of the affordable housing units shall be the responsibility of the developer, sponsor or owner, unless otherwise determined or agreed to by the Township of Woolwich.

H. Households who live or work in Atlantic, Gloucester, Cumberland, and Salem Counties may be given preference for the for-sales and rental affordable housing units constructed within the housing region. Applicants living outside Housing Region 6 shall have an equal opportunity for the units after regional applicants have been initially serviced.

§ 203-96. Occupancy standards.

All affordable housing units shall comply with the following:

A. In referring certified households to specific affordable housing units, to the extent feasible, and without causing an undue delay in occupying the unit, the administrative agent shall strive to:

- (1) Provide an occupant for each bedroom;
- (2) Provide children of different sex with separate bedrooms; and

§ 203-97. Control periods for for-sale units and enforcement mechanisms.

Control periods for for-sale affordable housing units shall be in accordance with N.J.A.C. 5:80-26.5, as may be amended and supplemented, and each for-sale affordable housing unit shall remain subject to the requirements of this article until the Township of Woolwich elects to release the unit from such requirements; however, and prior to such an election, a for-sale affordable housing unit

D. At the time of the first sale of a for-sale affordable housing unit, the purchaser shall execute and deliver to the administrative agent a recapture note obligating the purchaser (as well as the purchaser's heirs, successors and assigns) to repay, upon the first nonexempt sale after the unit's release from the requirements of this article, an amount equal to the difference between the unit's nonrestricted fair market value if it were a market rate unit and its restricted price, and the recapture note shall be secured by a recapture lien evidenced by a duly recorded mortgage on the unit.

E. The affordability controls set forth in this article shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to for-sale affordable housing units.

F. A for-sale affordable housing unit shall be required to obtain a continuing certificate of occupancy or a certified statement from the Construction Official stating that the unit meets all code standards upon the first transfer of title that follows the expiration of the applicable minimum control period provided under N.J.A.C. 5:80-26.5(a), as may be amended and supplemented.

§ 203-98. Price restrictions for for-sale units; homeowner association fees; resale prices.

Price restrictions for for-sale affordable housing units shall be in accordance with N.J.A.C. 5:80-26.1, as may be amended and supplemented, including:

C. Master deeds of affordable housing developments will regulate condominium or homeowner association fees or special assessments for affordable housing units at a rate equal to at least 33% but no more than 50% of those paid by market rate units. Once established within the master deed, the percentages shall not be amended without prior approval from the DCA acting on behalf of COAH or a court of competent jurisdiction. The method used to determine the condominium association fee amounts and special assessments shall be indistinguishable between the affordable housing unit owners and the market-unit owners.

D. The owners of for-sale affordable housing units may apply to the administrative agent to increase the maximum sales price for the unit on the basis of capital improvements. Eligible capital improvements shall be those that render the unit suitable for a larger household or the addition of

a bathroom. The administrative agent shall make the initial determination as to the eligibility of maximum sale price increases, provided that all maximum sale price increases shall be approved by the Municipal Housing Liaison.

§ 203-99. Buyer income eligibility.

A. Buyer income eligibility for for-sale affordable housing units shall be in accordance with N.J.A.C. 5:80-26.1, as may be amended and supplemented, such that very-low income units shall be reserved for households with a gross household income of less than or equal to 30% of median income, low-income units shall be reserved for households with a gross household income less than or equal to 50% of median income and moderate-income units shall be reserved for households with a gross household income less than 80% of median income.

B. The administrative agent shall certify a household as eligible for a for-sale affordable housing unit when the household is a very-low income household, a low-income household or a moderate-income household, as applicable to the unit, and the estimated monthly housing cost for the particular unit (including principal, interest, taxes, homeowner and private mortgage insurance and condominium or homeowner association fees, as applicable) does not exceed 33% of the household's certified monthly income.

§ 203-100. Limitations on indebtedness secured by a for-sale unit: subordination.

A. Prior to incurring any indebtedness to be secured by a for-sale affordable housing unit, the administrative agent shall determine in writing that the proposed indebtedness complies with the provisions of this section.

B. With the exception of original purchase money mortgages, during a control period, neither an owner nor a lender shall at any time cause or permit the total indebtedness secured by a for-sale affordable housing unit to exceed 95% of the maximum allowable resale price of that unit, as such price is determined by the administrative agent in accordance with N.J.A.C. 5:80-26.6(b).

§ 203-101. Control periods for rental units.

All affordable housing units which are rental units shall comply with the following:

B. Deeds of all real property that include rental affordable housing units shall contain deed restriction language. The deed restriction shall have priority over all mortgages on the property,

and the deed restriction shall be filed by the developer or seller with the records office of the County of Gloucester. A copy of the filed document shall be provided to the administrative agent and the Municipal Housing Liaison within 30 days of the receipt of a certificate of occupancy.

C. A rental affordable housing unit shall remain subject to the affordability controls of this article, despite the occurrence of any of the following events:

- (1) Sublease or assignment of the lease of the unit;
- (2) Sale or other voluntary transfer of the ownership of the unit; or
- (3) The entry and enforcement of any judgment of foreclosure.

§ 203-102. Price restrictions for rental units; leases.

All affordable housing units which are rental units shall comply with the following:

A copy of the current lease for each rental affordable housing unit shall be provided to the administrative agent and the Municipal Housing Liaison.

B. No additional fees or charges shall be added to the approved rent (except, in the case of units in assisted-living facilities, to cover the customary charges for food and services) without the express written approval of the administrative agent and the municipal housing liaison.

B. The administrative agent shall certify a household as eligible for a rental affordable housing unit when the household is a very-low-income, low-income household or a moderate-income household, as applicable to the unit, and the rent proposed for the unit does not exceed 35% (40% for age-restricted units) of the household's eligible monthly income as determined pursuant to N.J.A.C. 5:80-26.16, as may be amended and supplemented; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:

(1) The household currently pays more than 35% (40% for households eligible for age-restricted units) of its gross household income for rent, and the proposed rent will reduce its housing costs;

(2) The household has consistently paid more than 35% (40% for households eligible for age-restricted units) of eligible monthly income for rent in the past and has proven its ability to pay;

(3) The household is currently in substandard or overcrowded living conditions;

(4) The household documents the existence of assets with which the household proposes to supplement the rent payments; or

(5) The household documents proposed third-party assistance from an outside source such as a family member in a form acceptable to the administrative agent and the owner of the unit.

C. The applicant shall file documentation sufficient to establish the existence of the circumstances in Subsection B(1) through (5) above with the administrative agent, who shall counsel the household on budgeting.

§ 203-104. Enforcement of affordable housing regulations.

A. Upon the occurrence of a breach of this Chapter 203, Article XII or any of the regulations governing the affordable housing unit by an administrative agent, owner, sponsor, developer or tenant, the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, municipal fines, a requirement for household recertification, acceleration of all sums due under a mortgage, recoupment of any funds from a sale in violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.

B. After providing written notice of a violation to an administrative agent, owner, sponsor, developer or tenant of an affordable housing unit and advising the administrative agent, owner, sponsor, developer or tenant of the penalties for such violations, the municipality may take the following action against the administrative agent, owner, sponsor, developer or tenant for any violation that remains uncured for a period of 60 days after service of the written notice:

(1) The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation, or violations, of the regulations governing the affordable housing unit. If the administrative agent, owner, sponsor, developer or tenant is found by the court to have violated any provision of the regulations governing affordable housing units, the administrative agent, owner, sponsor, developer or tenant shall be subject to one or more of the following penalties, at the discretion of the court:

(a) The penalty provided in Chapter 1, General Provisions, Article I, Adoption of Code by Township Committee; General Penalty, § 1-15, General penalty.

(b) In the case of an owner who has rented his or her affordable housing unit in violation of the regulations governing affordable housing units, payment into the Township of Woolwich Affordable Housing Trust Fund of the gross amount of rent illegally collected.

(c) In the case of an owner who has rented his or her affordable housing unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the court.

(2) The municipality may file a court action in the Superior Court seeking a judgment which would result in the termination of the owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the first purchase money mortgage and shall constitute a lien against the affordable housing unit.

C. Such judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the affordable housing unit of the violating owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any first purchase money mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.

D. The proceeds of the Sheriff's sale shall first be applied to satisfy the first purchase money mortgage lien and any prior liens upon the affordable housing unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating owner shall be personally responsible for and to the extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the municipality for the owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the owner shall make a claim with the municipality for such. Failure of the owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the owner or forfeited to the municipality.

E. Foreclosure by the municipality due to violation of this Chapter 203, Article XII or the regulations governing affordable housing units shall not extinguish the restrictions and provisions of this Chapter 203, Article XII or the regulations governing affordable housing units as the same apply to the affordable housing unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of this Chapter 203, Article XII and the regulations governing the affordable housing unit. The owner determined to be in violation of the provisions of this Chapter 203, Article XII or the regulations governing affordable housing units and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.

F. If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the first purchase money mortgage and any prior liens, the municipality may acquire title to the affordable housing unit by satisfying the first purchase money mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the first purchase money mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the affordable housing unit could have been sold under the terms

of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.

G. Failure of the affordable housing unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the owner to accept an offer to purchase from any qualified purchaser which may be referred to the owner by the municipality, with such offer to purchase being equal to the maximum resale price of the affordable housing unit as permitted by the regulations governing affordable housing units.

H. The owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions governing affordable housing units until such time as title is conveyed from the owner.

§ 203-105. Appeals.

Appeals from all decisions of an administrative agent designated pursuant to this article shall be filed in writing with the Executive Director of the DCA or the Law Division of the Superior Court of New Jersey.

**AN ORDINANCE OF THE TOWNSHIP OF WOOLWICH, COUNTY OF
GLOUCESTER, STATE OF NEW JERSEY AMENDING AND SUPPLEMENTING
SECTION 203-92 OF THE WOOLWICH TOWNSHIP ZONING CODE ENTITLED
"AFFORDABLE HOUSING DEVELOPMENT FEE SCHEDULE"**

2022-06

WHEREAS, the Township Committee of the Township of Woolwich heretofore adopted an Affordable Housing Development Fee Ordinance memorialized by Ordinance 2005-08; and

WHEREAS, the Township Committee has determined that it is in the Township's best interests to update and amend the nonresidential fee provisions to those prescribed within the New Jersey Statewide Non-Residential Development Fee Act codified within N.J.S.A. 40:55D-8.1 ;

NOW, THEREFORE, BE IT ORDAINED by the Township Committee of the Township of Woolwich, County of Gloucester and State of New Jersey, that Section 203-92 of the Woolwich Township Zoning Code is hereby amended and supplemented, as follows:

Section 1. Section 203-92 B(1) shall be amended to read as follows:

- (1) Imposition of Fees.
 - (a) Within the Township of Woolwich, all residential developers, except for developers of the types of developments specifically exempted below and developers of developments that include affordable housing, shall pay a fee of one and a half percent (1.5%) of the equalized assessed value for all new residential development provided no increased density is permitted. Development fees shall also be imposed and collected when an additional dwelling unit is added to an existing residential structure; in such cases, the fee shall be calculated based on the increase in the equalized assessed value of the property due to the additional dwelling unit.
 - (b) When an increase in residential density is permitted pursuant to a "d" variance granted under N.J.S.A. 40:55D-70d(5), developers shall be required to pay a "bonus" development fee of six percent (6%) of the equalized assessed value for each additional unit that may be realized, except that this provision shall not be applicable to a development that will include affordable housing. If the zoning on a site has changed during the two (2)-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two (2)-year period preceding the filing of the variance application.
- (2) Eligible Exactions, Ineligible Exactions and Exemptions for Residential Developments.

- (a) Affordable housing developments and/or developments where the developer has made a payment in lieu of on-site construction of affordable units, if permitted by Ordinance or by Agreement with the Township of Woolwich, shall be exempt from the payment of development fees.
- (b) Developments that have received preliminary or final site plan approval prior to the adoption of this Ordinance shall be exempt from the payment of development fees, unless the developer seeks a substantial change in the original approval. Where site plan approval is not applicable, the issuance of a Zoning Permit and/or Construction Permit shall be synonymous with preliminary or final site plan approval for the purpose of determining the right to an exemption. In all cases, the applicable fee percentage shall be determined based upon the Development Fee Ordinance in effect on the date that the Construction Permit is issued.
- (c) Improvements or additions to existing one- and two-family dwellings on individual lots shall not be required to pay a development fee, but a development fee shall be charged for any new dwelling constructed as a replacement for a previously existing dwelling on the same lot that was or will be demolished, unless the owner resided in the previous dwelling for a period of one (1) year or more prior to obtaining a demolition permit. Where a development fee is charged for a replacement dwelling, the development fee shall be calculated on the increase in the equalized assessed value of the new structure as compared to the previous structure.
- (d) Homes replaced as a result of a natural disaster (such as a fire or flood) shall be exempt from the payment of a development fee.

Section I. Section 203-92.B.(2) of the Zoning Code entitled "Non-residential development fees" is hereby amended and supplemented to read, as follows:

Section 203-92.B.(2)(a): "Within all zoning districts, non-residential developers shall pay a fee of two and one-half (2.5%) percent of the equalized assessed value of the land and improvements, for all new non-residential construction on an unimproved lot or lots".

Section 203-92.B.(2)(b): "Non-residential developers, shall also pay a fee equal to two and one-half (2.5%) percent of the increase in equalized assessed value resulting from any additions to existing structures to be used for non-residential purposes".

Section 203-92.B.(2)(c): "The Township shall not collect non-residential development fees from the exempt developments and projects codified within N.J.S.A. 40:55D-8.4(b)(1 -6)". A developer exempted from the non-residential development fee pursuant to P.L.2008, c.46 shall be subject to it at such time the basis for exemption no longer applies, and shall make the payment of the non-residential development fee, in that event, within three years after that event

or after the issuance of the final certificate of occupancy of the non-residential development, whichever is later. If a property was exempted from the collection of a non-residential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this section within 45 days of the termination of the property tax exemption. Unpaid non-residential development fees under these circumstances may be enforceable by the Township of Woolwich as a lien against the real property of the owner.

Section 203-95 shall be supplemented with subsection C to read as follows:

- (1) The following additional funds shall be deposited in the Affordable Housing Trust Fund and shall at all times be identifiable by source and amount:
 - (a) Payments in lieu of on-site construction of a fraction of an affordable unit, where permitted by Ordinance or by Agreement with the Township of Woolwich;
 - (b) Funds contributed by developers to make ten percent (10%) of the adaptable entrances in a townhouse or other multistory attached dwelling unit development accessible;

- (2) In the event of a failure by the Township of Woolwich to comply with trust fund monitoring and reporting requirements or to submit accurate monitoring reports; or a failure to comply with the conditions of the judgment of compliance or a revocation of the judgment of compliance; or a failure to implement the approved Spending Plan and to expend funds within the applicable required time period as set forth in In re Tp. of Monroe, 442 N.J.Super. 565 (Law Div. 2015), aff'd 442 N.J.Super. 563); or the expenditure of funds on activities not approved by the Court; or for other good cause demonstrating the unapproved use(s) of funds, the Court may authorize the State of New Jersey, Department of Community Affairs (DCA), Division of Local Government Services (LGS), to direct the manner in which the funds in the Affordable Housing Trust Fund shall be expended, provided that all such funds shall, to the extent practicable, be utilized for

affordable housing programs within the Township of Woolwich, or, if not practicable, then within the County or the Housing Region.

- (a) Any party may bring a motion before the Superior Court presenting evidence of such condition(s), and the Court may, after considering the evidence and providing the municipality a reasonable opportunity to respond and/or to remedy the non-compliant condition(s), and upon a finding of continuing and deliberate non-compliance, determine to authorize LGS to direct the expenditure of funds in the Trust Fund. The Court may also impose such other remedies as may be reasonable and appropriate to the circumstances.
- (3) Interest accrued in the Affordable Housing Trust Fund shall only be used to fund eligible affordable housing activities approved by the Court.

Section 203-96 Use of Funds shall be amended and supplemented as follows: The Township shall use revenues collected from development fees for any activity approved by the court for addressing the Township's fair share obligation. The expenditures of all money shall conform to a spending plan approved by the court.

Section 203-96(D) At least 30 percent of all development fees collected and interest earned on such fees shall be used to provide affordability assistance to very low-, low- and moderate-income households in affordable units included in the municipal Fair Share Plan. One-third of the affordability assistance portion of development fees collected shall be used to provide affordability assistance to very low-income households earning 30 percent or less of the regional median household income by household size for Housing Region 3, in which Branchburg is located.

1) Affordability assistance programs may include down payment assistance, security deposit assistance, low interest loans, rental assistance, assistance with homeowners association or condominium fees and special assessments, and assistance with emergency repairs.  - Proposed pipeline will be installed by a combination of bore, plow and open-cut methods. Bore and plow are the preferred means of construction, but when open cutting of trenches occurs during construction project, the contractor will make every effort to keep disturbance to a minimum.

- Contractor will restore all areas disturbed to same conditions and all non-vegetated areas must be re-seeded.
- South Jersey Gas contractor must use the bore method of installation at all Township roads and paved driveways unless approved by the Township Engineer.
