

**CLEAN COMMUNITIES PROGRAM
120 VILLAGE GREEN DRIVE
WOOLWICH TOWNSHIP, NEW JERSEY 08085**

February 14, 2024

To: Clean Communities Participants

We are pleased to inform you that the State of New Jersey has once again funded the Clean Communities Grant Program for which the Township of Woolwich has received grant funding for the year 2024. We take pride in allowing our township non-profit organizations the opportunity to receive a portion of this funding by participating in our roadside cleanups.

This year's Spring roadside clean-up has been scheduled for Saturday March 23rd, 2024 from 9:00 a.m. until 12:00 p.m.

Funds will be distributed in accordance with the number of participants. In the past, we have awarded \$300.00-\$500/group. All non-profit groups must have at least **ten (10) participants** with additional adequate adult supervision.

For your convenience, I am enclosing an application form with this letter. All groups **must submit a Certificate of Insurance naming Woolwich Township, 120 Village Green Dr., Woolwich Twp. NJ 08085 as the additional insured with a minimum of \$1,000,000.00 of insurance.**

The application and insurance certificate must be completed and returned to our office by **4pm on Friday March 8th**. Roadway assignments will be forthcoming

We look forward to working with you and your organization this year. In the meantime, if you have any questions or concerns please contact Jane DiBella 856-467-2666 ext. 7101.

Very truly yours,

Anthony Bertino
