PICKLEBALL HOSTS WANTED

We are currently seeking hosts to help out with the beginner, intermediate, and advanced group play. Responsibilities include checking people in, monitoring the transition period from group play to open play, and keeping the group play running smoothly.

You will not be required to sign up when hosting.

Your slot will already be reserved.

If you are available to help at least one day per week even as a backup please contact Craig Frederick at cfrederick@woolwichtwp.org
